

**Scene:**

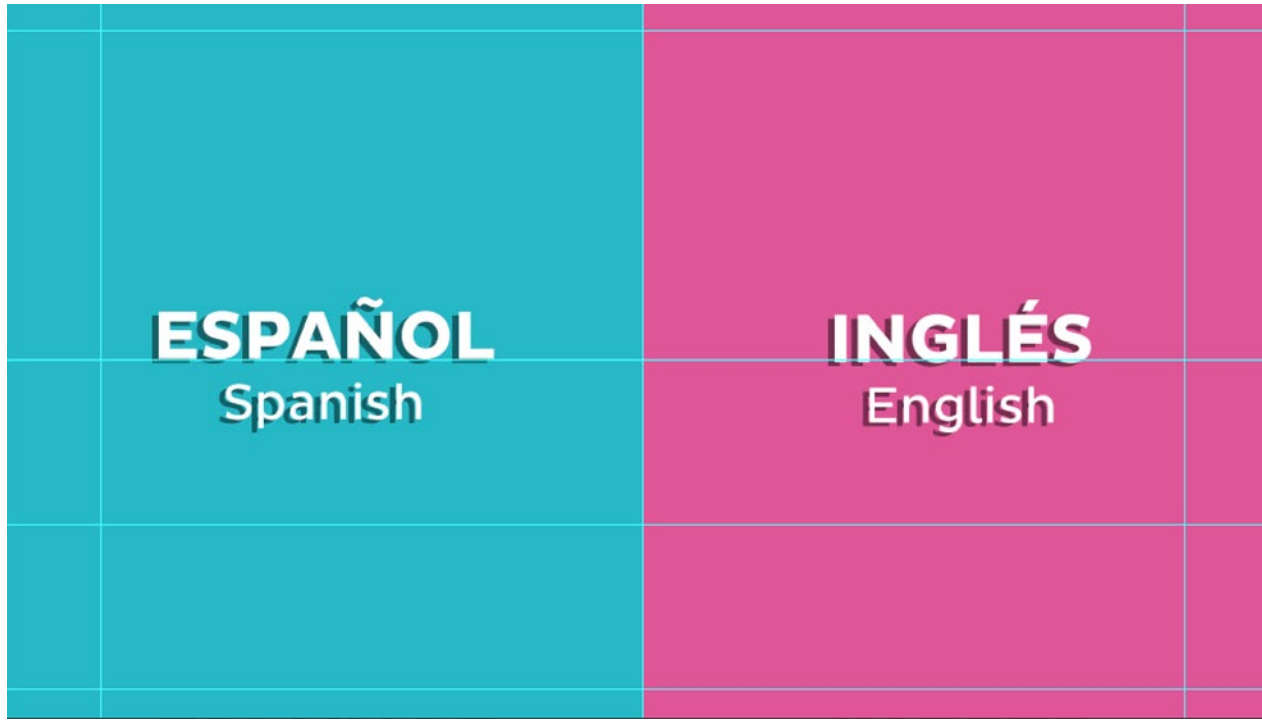

Intro to App

Dimensions:

1920 x 1080

16:9

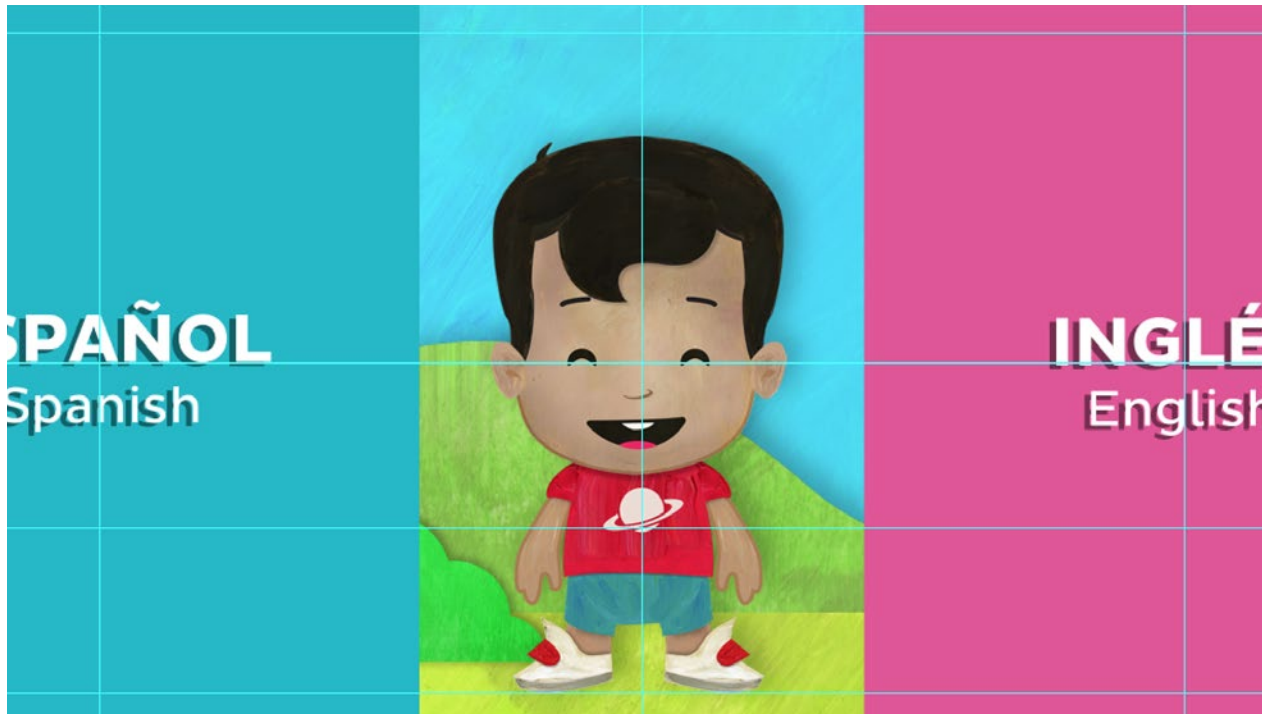

- Please watch the video: LL_VID1.mp4
 - We are going to build this intro to be simple but to allow more animation in the future.
 - Each letter is an individual PNG for further logo animation.
 - Place letters in the regular order of the logo
 - Should have the Lei Lei theme song
 - Please use file '1-SSIntro-to-app.png' for guidance on placement and proportions
- This scene should stay on for 5 seconds and fade away to reveal the 'language selection' scene

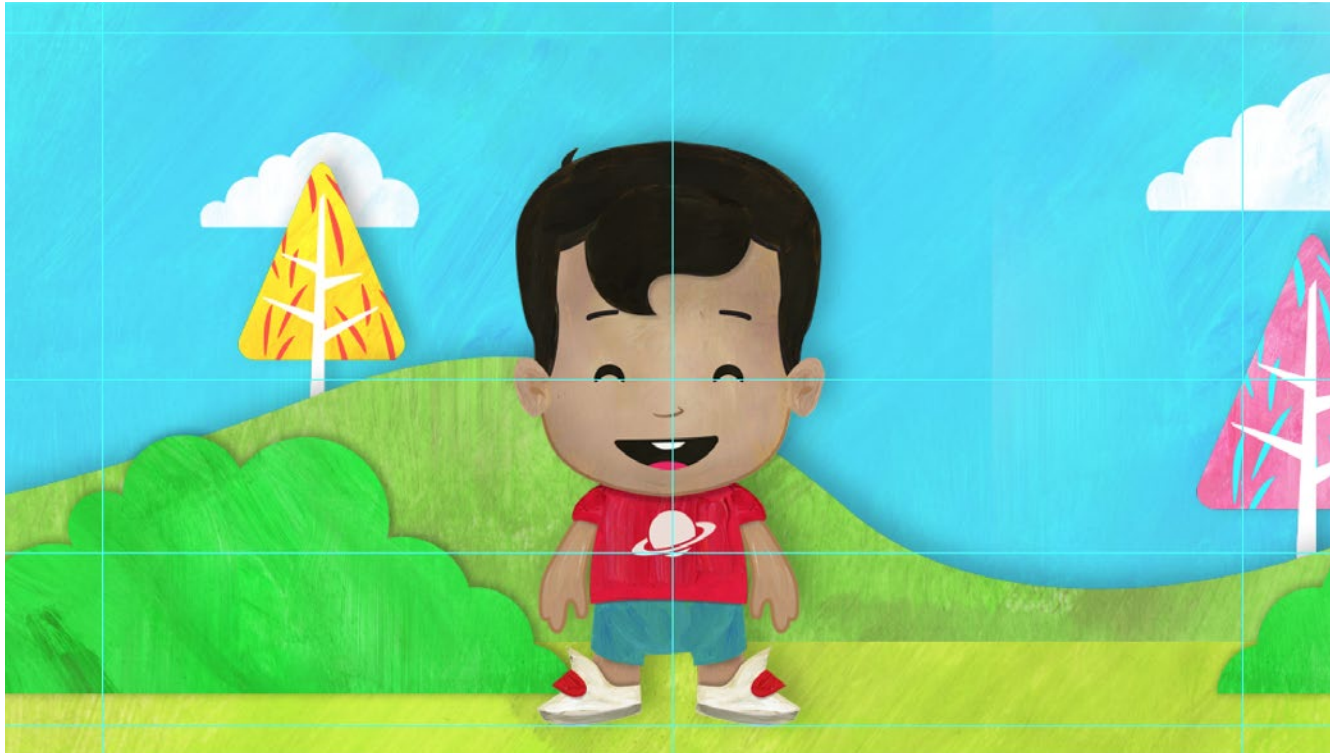

Scene:

Language Selection

- With the theme of trying to keep things simple
- After Language is selected, panels open to reveal the appisode intro scene

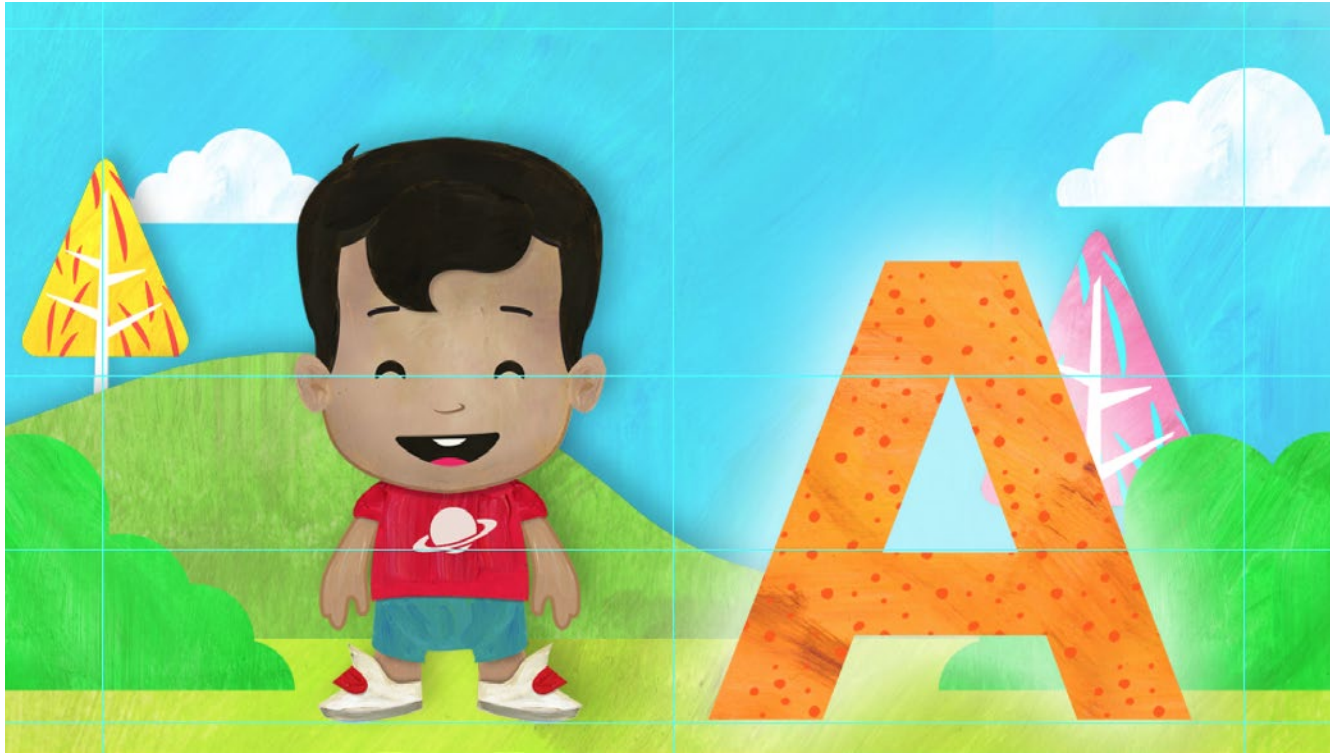

**Scene:**

Appisode Intro

breakdown of elements:

- Sky
- clouds
- trees + hill
- bushes
- ground (will be the background to another scene)
- Javi

- javi will wave and introduce himself—watch “Lei-Lei Runthrough.mp4” 13 sec – 16sec
- placement and proportion of elements are very important
- This scene we will have to discuss further in person further

Scene:

Appisode Intro

breakdown of elements:

- Sky
- clouds
- trees + hill
- bushes
- ground (will be the background to another scene)
- Javi

- screen pans to the right and the letter A appears.
- we will discuss voice over
- notice proportion of letter to Javi

Scene:

Transition

breakdown of elements:

- Sky, clouds, trees + hill, bushes from previous
- ground (will be the background to another scene)
- Javi

- javi will wave and introduce himself—watch “Lei-Lei Runthrough.mp4” 13 sec – 16sec
- placement and proportion of elements are very important
- This scene we will have to discuss further in person further
